

## Jinfo Subscription

Connect your team with the practical tools, original research and expertise to build and support information strategy in your organisation.

### How would your organisation benefit?

- ✓ Access to hundreds of original articles, reports and market landscapes with research-based insights not available elsewhere
- ✓ Practical, downloadable tools to help you manage your business
- ✓ Webinars that provide you with opportunities to learn from the Jinfo management team
- ✓ Community sessions that allow you to interact and discuss relevant topics with your industry (and cross-industry) peers
- ✓ Time saving original research and practical resources.

### Purchase a Jinfo Subscription

A one year Jinfo Subscription is for up to two users and includes:

- ✓ **Content:** Access to all articles, reports and webinars.
- ✓ **Community:** Join confidential, research-based, facilitated discussion with peers across the industry.

£2400
